

Chief of Emergency Pembroke Regional Hospital, Pembroke, Ontario

Located one and a half hours west of Ottawa, The Pembroke Regional Hospital (PRH) delivers a broad range of acute, post-acute, outpatient and diagnostic services to a mixed urban and rural population of approximately 100,000 residents in the Upper Ottawa Valley.

The hospital is situated on the shores of the Ottawa River close to Algonquin Park and provides an array of diagnostic and specialist services including CT, MRI, anaesthesia, internal medicine, surgery, psychiatry, Ob/Gyn, Orthopedics and an inpatient rehabilitation program.

Position Summary

Working under the general direction of the Chief of Staff, the Chief of Emergency will provide medical, administrative and strategic leadership to enhance the Department of Emergency and help achieve hospital strategic goals. The Chief will be responsible for the professional practice and quality of care provided by its departmental staff members. The Chief will also work with the Senior Leadership Team, Directors, Department Chiefs, and members of the professional staff to plan and ensure optimal utilization of available resources, lead and/or assist with quality improvement and patient safety initiatives, and support the strategic direction of the hospital through the Lean Management Structure.

Position Requirements

- Member in good standing with the College of Physicians and Surgeons of Ontario (CPSO)
- Experience working with teams and possessing strong interpersonal and collaborative skills
- Formal Leadership training and experience.
- Bilingual (English and French) would be an asset.

Knowledge:

Practicing physician, eligible to practice without restriction.

Demonstrates a high level of credibility and experience in leadership

Previous experience working effectively within collective decision-making structures, such as a Board or committee.

Experience developing and implementing health care quality improvement strategies and implementation of clinical standards.

Proven ability to manage and guide planning and implementation, including developing resource requirements, timelines and milestones.

Only those candidates chosen for an interview will be contacted.
