

## **Local Couple Pledges \$10,000 to the Pembroke Regional Hospital Foundation's *Cancer Care Campaign!***

**FOR IMMEDIATE RELEASE**

**October 27, 2021**

(Pembroke) Dan Laverdure and Andrew Chenard, local philanthropists and community volunteers, have generously pledged \$10,000 to the Pembroke Regional Hospital Foundation's *Cancer Care Campaign*.

The *Cancer Care Campaign*, which was launched in January of this year, will provide the necessary funding to equip, upgrade and expand the Chemotherapy and Medical Day Care units at PRH while also providing necessary updates to the Pharmacy. Some of the items on the equipment list include treatment chairs, warming blankets, pharmaceutical refrigerators, biosafety cabinets and scrub sinks.

"We are so very thankful for the generosity of individuals like Andrew and Dan who recognize the importance of having state-of-the-art health care services right here close to home. As equipment and supplies are not funded through the government, the hospital depends on the generosity of the community to purchase these essential items," said PRHF Executive Director Roger Martin.

Dan Laverdure says, "We are so thankful to have such an amazing hospital right here in Pembroke and we want to do our part to ensure that the best possible health care is available locally for the present and future."
