Seven Public Sector Organizations Mourn Loss of Jamie Bramburger

Pembroke, ON – March 12, 2025 – The Renfrew and Area Administrators' Group is deeply saddened by the loss of Jamie Bramburger, Interim Dean of Algonquin College in Pembroke. Jamie revived the group of eight public sector organizations in the spring of 2024 and was instrumental in leading the group in collaborating on shared goals and priorities.

It is with deep sadness and heavy hearts that the seven other member organizations of the Renfrew and Area Administrators' Group come together to offer our condolences to Jamie's family, friends and colleagues.

Jamie's dedication to education, community service, and leadership has touched countless lives throughout Renfrew County and beyond. As a passionate advocate for learning and personal growth, Jamie played an instrumental role in advancing the mission of Algonquin College and fostering a positive, supportive environment for students and staff alike. His contributions extended far beyond the campus, leaving a lasting impact on the broader community of Pembroke, Renfrew County, and Eastern Ontario.

Jamie's loss is not only felt within the walls of Algonquin College, but across the Ottawa Valley, where he was known as a compassionate and committed leader. His vision and tireless work to build stronger, more inclusive communities will be remembered as a testament to his character.

Our thoughts are with Jamie's family, friends, and all those who had the privilege of working with him.
