

RBC Donates \$10,000 to the Pembroke Regional Hospital Foundation's *Cancer Care Campaign!*

FOR IMMEDIATE RELEASE

August 31st, 2023

(Pembroke) Royal Bank of Canada has generously donated \$10,000 to the Pembroke Regional Hospital Foundation's *Cancer Care Campaign*.

The *Cancer Care Campaign*, which was launched in January of 2021, will support the expansion and upgrade of the hospital's Chemotherapy and Medical Daycare units, while also funding necessary renovations in the inpatient Pharmacy. It will also support the purchase of equipment such as treatment chairs, warming blankets, pharmaceutical refrigerators, biosafety cabinets and scrub sinks just to name a few.

"We are so very thankful for the generosity of organizations in our community like RBC who recognize the importance of having state-of-the-art health care services right here close to home. As equipment and supplies are not provincially funded, the hospital depends on the generosity of the community to purchase these essential items," said Executive Director Roger Martin.
