**(Pembroke)** The Pembroke Regional Hospital Foundation is excited to announce that the Ace of Spades has been “caught” on week #37 in their *Catch the Ace 3.0* Lottery supporting the *Cancer Care Campaign*. The lucky winner, Helen Brumm, took home an amazing prize of \$220,723. Helen’s winning ticket #KK-6988566 was drawn from the electronic generator and she chose Card #25 which revealed the Ace of Spades!

Helen expressed her shock and excitement, telling the Foundation staff, “I can’t believe I won. I thought it was a joke when I got the call. I will be sharing the winnings with my kids.”

PRH Foundation Executive Director, Roger Martin says, “We are super excited for Helen’s big win and it’s always nice to see people smile these days. We appreciate every ticket sold, and we know the community enjoys giving back to the hospital with the added bonus that they could win a prize like this one. I wish to thank everyone involved in making *Catch the Ace* the success that it is and remind everyone that we are one step closer to finishing the \$3.5 million dollar *Cancer Care Campaign* - keeping cancer care close to home!”

Over the past 37 weeks, the lottery has raised over an incredible \$350,000 **for the Pembroke Regional Hospital Foundation’s *Cancer Care Campaign***.

The PRH Foundation is happy to announce they will be hosting another *Catch the Ace* lottery very soon! Leigh Costello, Community Fundraising Specialist adds, “We are so thrilled with the success of our *Catch the Ace* lotteries and how the community rallied around to support this event and cause. The past few weeks have been building up to this amazing draw, and the community has been calling us and emailing us to find out if we are going to launch a new *Catch the Ace* for the hospital. The answer is YES! We hope to have the next *Catch the Ace* up and running by the end of April. We couldn’t have done it without all our volunteers and community supporters who helped us spread the word and sell tickets each week at our drive thru kiosk and at the hospital. We are so excited to see local residents get behind our next draw.”

Stay tuned for updates regarding the next *Catch the Ace* draw for the Pembroke Regional Hospital which will be announced on the Foundation’s Facebook Page in the coming weeks.

“Thank you to ALL our supporters, and we will see you when the deck gets shuffled for the next *Catch the Ace* folks. Stay Healthy & Stay Safe,” added Roger.
