**From: PRH Vaccination Committee**  
**Date: October 14<sup>th</sup>, 2022**  
**Subject: Bivalent Booster Vaccine and Flu Shot Clinic**

---

This year, it is more important than ever to get vaccinated against influenza. Following two years of low influenza rates due to public health restrictions and resulting waned immunity, it is anticipated that we will see an influenza surge this respiratory illness season.

Starting Monday October 17<sup>th</sup>, our Bivalent vaccination clinics will be expanded to also include the flu vaccine for all PRH staff, physicians and volunteers. The clinics will be **drop-in** where staff, physicians and volunteers can request to receive either vaccine or both vaccines.

### Flu Vaccine Incentive!

We are excited to share that every staff member and physician who receives this year's flu shot will receive a ballot for a chance to win \$500! Simply drop into one of the PRH clinics to receive your flu shot and ballot or provide proof of vaccination to the Occupational Health and Safety Department (Tower C- ground floor) or by email: [OccHealth@pemreghos.org](mailto:OccHealth@pemreghos.org)

Draw will take place on December 14<sup>th</sup>, 2022.

### Staff, physician, and volunteer clinics (appointment not required):

Date	Location	Time	Vaccines Available
Monday October 17 <sup>th</sup> , 2022	B443 Meeting Room	0900-1300	Bivalent Booster, <b><i>and</i></b> Flu Vaccine
