MEMO

To: Everyone
From: Education and IT Department
Date: April 23rd, 2024
Subject: Move to SURGE eLearning Platform

We will be transitioning to a new eLearning platform ‘SURGE’, effective April 28th. This new eLearning platform will have a different look but will still be similar to our previous eLearning system. You will be able to log into the new system after April 28th.

Training sessions have been booked for staff to drop in to review the new system.

Please reach out to your manager for any questions.

Thank you.
