

**PEMBROKE REGIONAL HOSPITAL**

---

**MEMO**

---

**TO:** All Staff and Physicians

**FROM:** Mike Godbout, Director of Plant Services

**DATE:** 2023-09-27

**SUBJECT:** Planned Medical Vacuum Shutdown

---

There will be a planned medical vacuum shutdown on **Monday, October 2<sup>nd</sup> between the hours of 11:00 am to 3:00 pm.**

This is required to remove the old medical vacuum pump unit (skid) and replace it with a new one for the Surgical Day Care construction project.

Medical vacuum will be affected throughout the Hospital's Towers A and B during this time except in Tower D OR which will not be affected.

Oxygen, Medical Air, and Nitrous Oxide will **not** be affected.

Contingency plans have been developed and will be in place for the duration of the shutdown.

If you have any questions or concerns during the shutdown, please contact your department Manager.

Thank you.
