

PEMBROKE REGIONAL HOSPITAL

MEMO

TO: All Employees

FROM: Brent McIntyre, Vice-President, Human Resources

DATE: October 17, 2024

SUBJECT: CUPE Rally on October 28, 2024

Please note that CUPE is organizing a lawful rally outside the hospital on **Monday, October 28th**, from **11:30 AM to 1:00 PM**. The rally will take place on **Deacon Street**, in front of **186 Deacon St.**

We respect the right to peaceful assembly and want to ensure that hospital operations and services continue smoothly during this time. Below are some important reminders and tips to help minimize any disruption to traffic and hospital activities:

1. **Plan Your Route:** If possible, avoid using Mackay/Deacon entrance during the rally.
2. **Emergency Vehicle Access:** Please be mindful of emergency vehicles since the paramedic station is on that corner.
3. **Patient and Visitor Communication:** Patients and visitors who have appointments during this time should be informed of the rally and may want to plan for extra travel time.
4. **Keep traffic flowing:** Please avoid slowing down, stopping or hindering traffic for the purpose of engaging with the rally.

We appreciate your cooperation and understanding as we work together to ensure that hospital services and traffic flow remain smooth during this period, and we are certain that patient experience will stay top of mind.

If you have any concerns or questions, please feel free to reach out to Brent.Mcintyre@prh.email

Thank you for your attention and commitment to keeping our hospital running efficiently.
