

## RECRUITING A FAMILY PRACTICE ANAESTHETIST Pembroke Regional Hospital

Located one and a half hours west of Ottawa, the Pembroke Regional Hospital (PRH) delivers a broad range of acute, post-acute, outpatient and diagnostic services to a mixed urban and rural population of approximately 100,000 residents in the Upper Ottawa Valley. We are currently recruiting a family practice anaesthetist to join our group of eight anaesthetists that work together to cover four OR's, an endoscopy suite, 24/7 on call responsibilities and a busy labour and delivery suite with approximately 700 deliveries /year. You would cover 2-3 elective lists /week as well as participating in the on-call rota. There are also plenty of opportunities for supplemental work in Primary Care, Emergency and Hospitalist Medicine.

Pembroke Regional Hospital is a 105 bed full service community hospital situated on the shores of the Ottawa River close to Algonquin Park. The hospital provides an array of diagnostic laboratory services including Nuclear Medicine, CT and MRI. Full specialist support including a Hospitalist Program, Anaesthesia, Internal Medicine, Surgery, Ob/Gyn, Psychiatry, Ophthalmology, Otolaryngology, Orthopedics, Physiatry and Urology.

Pembroke Regional is a referral hospital supporting smaller hospitals in the Ottawa Valley. Our Hospital is a designated District Stroke Center and we have a 7 bed ICU that is staffed by a multi-disciplinary team of nurses, physicians, and respiratory therapists; as well as access to social workers, speech, occupational and physio therapists. We have a well established referral protocol with local tertiary care centres 1.5 hours away in Ottawa.
