ACCREDITATION | April 3 to 6, 2023

## Emergency Preparedness

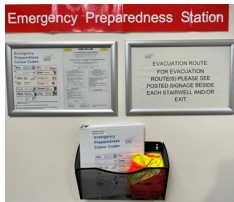

- Knowing what to do during an emergency helps keep you, patients, visitors, volunteers and your colleagues safe.
- PRH uses an emergency response code system. To initiate a call for help dial **ext. 6666** from any phone.

- Emergency preparedness stations are on all units:
  - Emergency Code Binder (guide through each code, flow sheets and policies)
  - Code captain vest

- PRH Emergency Preparedness committee performs Code Red drills monthly and rotates "Code of the Month" exercises throughout the hospital.
