ACCREDITATION | April 3 to 6, 2023

## Patient Safety Incident Reporting

- PRH Risk Incident Reporting System (RIMS) captures incidents and near miss events.
- Reporting safety incidents:
  - helps prevent recurrences
  - enhances our understanding of safety risks
  - contributes to a culture of safety
- RIMS reports should be completed as soon as possible; preferably by the end of the working shift when the incident occurred or was discovered.
- Reports are best in fact- Avoid making assumptions or judgments.
- RIMS can be access through the CITRIX dashboard.

Q-Tip #8

RIMS

*Incident reporting is an important component of safety!*
